

Will they not ponder on the Qur'an? If it had been from other than God they would have found therein much incongruity (inconsistency).

Meaning is derived from the Glorious Quran, 4:82

And it was not possible for this **Q**uran to be produced by other than Allah, but it is a confirmation of the revelation made before it and a detailed explanation of the Book (former scripture). Without a doubt it is a revelation from the Lord of the worlds.

Meaning is derived from the Glorious Quran, 10:37
